

Product End-of-Life statement

This document details the End-of-Life support for the following GFI® product:

Product	Version	Migration path
GFI BackUp™	All	None
End-of-Sale date:	January 1, 2012	
End-of-Technical Life:	January 1, 2013	
End-of-Product Life:	January 1, 2013	

Summary

Due to changing company development targets and goals, GFI Software will discontinue all the commercial versions of GFI BackUp in 2012. The product will no longer be sold, but fixes and patches will be made available to current customers holding a valid maintenance agreement.

End-of-Sale

All commercial versions of GFI BackUp reached their End-of-Sale date on January 1, 2012. Consequently GFI will not sell, market or provide copies of all the commercial versions of GFI BackUp after this date. Additionally GFI will no longer renew any maintenance agreements for existing GFI BackUp customers, nor honor sales quotes that may have been made available and not yet actioned to customers.

End-of-Technical Life

GFI will continue to provide support to all GFI BackUp customers holding a valid maintenance agreement for 12 months after the End-of-Sale date. Consequently GFI BackUp will reach its End-of-Technical Life on January 1, 2013. Following this date, GFI will not develop nor change any code related to GFI BackUp, for support or any other purposes.

End-of-Product Life

GFI BackUp will reach its End-of-Product Life on January 1, 2013. Following this date, GFI will no longer develop or sustain the GFI BackUp product line.

Notes

The freeware version of GFI BackUp will continue to be provided to users.

For more information please read our End-of-Life policy at: www.gfi.com/document/5070

If you have any questions, please call your local GFI Technical Support office and one of our representatives will respond to your question, or direct your issue to someone who can.

Thank you for your co-operation in this product support transition.
